Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications at least 30 days from the earliest claimed filing date. The USPTO will delay the publication of a patent application made available to a defense agency under 35 U.S.C. 181 for not less than 6 months from the filing date or 30 days from the date publication is first sought. This application will be cleared for publication 30 days from the above "Date Referred" unless a response is provided to the USPTO regarding the necessary recommendation as to the imposition of a secrecy order.
